

SUMMER DANCE CAMP 2020

Schedules, Pricing & Policies

We are so excited to be able to offer Dance Camp at the Studio this summer!

You can expect the same fun and supportive environment we've always had, along with a few changes to help make sure everyone can enjoy a safe experience. We have put all necessary COVID-19 protocols in place, like wellness checks, hand washing and extra cleaning. All Camp activities will be safely distanced within individual dance "zones" marked in our studios.

We can't wait to welcome your dancer through our doors and have fun together!

DANCE CAMP 2020 is a weekly, 4-day half day program for dancers **ages 6 – 10**. Dancers will have fun learning a variety of new dance styles, as well as participating in fun activities like crafts and games.

Unfortunately, we are unable to do our end of week Camp showcase for parents and caregivers at the Studio due to COVID-19 restrictions, but we will share an end of week Camp video with everyone.

SUMMER DANCE CAMP 2020

Schedules, Pricing & Policies

Drop-Off and Pick-Up

- Drop off is between 8:30 – 8:45 AM.
- All parents are required to submit a COVID questionnaire prior to their dancer's first day of Dance Camp
- Each day, campers will check in and undergo a wellness check at drop-off including a temperature check. Everyone will be asked to sanitize their hands before entering the Studio.
- At check in, campers will each be assigned to an individual dance 'zone' in the studio. This will help ensure campers stay safely distanced during camp.
- Pick up is at 12:00. We ask that you please be prompt as the studios need to be thoroughly cleaned.
- If your child is permitted to sign themselves out of Camp and meet you in front of the Studio, please let us know at Drop-off. Students are not permitted to sign themselves out without prior parent consent.

Masks

- All campers are required to wear masks at check in and while in common areas at the Studio.
- As per our conversations with Toronto Public Health, masks will be optional for Tandem Studios dance campers while they are in their individual camp studio.
- Toronto's indoor mask bylaw indicates that masks are mandatory for day camps if they operate in a facility that is open to the general public. Because Tandem Studios camps operate in a facility that is not open to the general public, masks are not mandatory outside of our common areas.
- We will leave it to each family's discretion to determine whether their camper will wear a mask during camp. Campers who do choose to continue wearing a mask during camp programming must be able to manage it themselves as our staff will not be able to assist.

Clothing

- Our change rooms will not be available during Camp so campers are asked to come dressed for dance and ready to go!
- We recommend campers wear any form fitting dancewear or activewear of their choice, such as a leotard and dance shorts, or a t-shirt and leggings or shorts.
- All campers should bring dance shoes or socks to dance in. No outdoor shoes are permitted in the Studio and all campers will be given a place to store their outdoor shoes.
- Please don't bring anything extra to Camp such as dance bags, backpacks, extra clothing, etc. as there will not be a place to store it. Parents and caregivers will be asked to take bags, jackets, umbrellas, hats etc. with them at drop off.

Snacks & Water Bottle:

- Campers should bring their own nutritious, nut-free snacks each day. Please ensure snacks are packaged in a small bag or container.
- Campers must bring their own pre-filled water bottles. Unfortunately, we cannot offer a water bottle filling area or cups due to COVID-19 protocols.
- Campers will be assigned a specific area to store their snack and water bottle,
- We will ensure all campers sanitize their hands before snack breaks, and that snacks are enjoyed appropriately distanced from other campers.

Illness:

- If a camper or anyone in their home has been exposed to COVID-19, they will not be able to attend camp. Please provide written notice to our Registrar and she will work with you on rescheduling your camp week or crediting your account.
- If campers exhibit any symptoms commonly associated with COVID-19 while at the Studio (fever, coughing, sneezing, etc.) they will be moved to a waiting area and parents will be asked to pick them up.
