NEW THIS SEASON!! ARTISTRY

Artistry is where technique comes to life! This class is designed to help dancers ages 10yrs + who are already enrolled in jazz, ballet or contemporary to go beyond steps and truly perform. We focus on musicality, emotional connection, storytelling, and learning how to move with intention, not just accuracy. Dancers will explore how to feel the music, understand rhythm on a deeper level, and express themselves in a way that feels authentic and engaging.

Perfect for dancers who already have a foundation in other styles, Artistry is an ideal add-on class that enhances everything they're already doing. It builds confidence, stage presence, and that special quality that makes an audience feel something...not just watch something.

Because great dancers don't just execute...they connect, they communicate, and they become artists.

NEW THIS SEASON!! DANCE FITNESS FOR AGES 13YRS+

Dance Fitness is your workout, but way more fun. Not a dancer? Perfect. You can still train like one. This high-energy class is designed for everyone, whether you're an athlete looking to cross-train (hello hockey, basketball, volleyball!) or someone who just wants to get moving and sweat it out to great music.

We pull from dance-based conditioning to build strength, tone muscles, and improve endurance. Expect a full-body workout targeting core, arms, abs, and glutes, all while moving to upbeat, feel-good tracks that make the time fly. No pressure, no experience needed, just show up, move your body, and leave feeling stronger, energized, and maybe even a little obsessed.

Because working out doesn't have to feel like work.

RAD BALLET EXAMS

Royal Academy of Dance (RAD) Ballet Examinations take place yearly at Tandem Studios. The RAD is one of the world's most influential dance organizations; their exams set standards in classical ballet technique and execution. We are excited to expand something that has been part of Tandem for over 15 years...our Ballet Examination Program!

Firstly, this is not a competition program. Instead, it is a structured, goal-oriented pathway designed for dancers who are motivated by personal progress, discipline, and achievement.

For many dancers, this offers the best of both worlds without the commitment or nature of competitive dance:

- A clear goal to work toward.
- A strong sense of accomplishment.
- Focused, high-quality training.

Ballet examinations provide a meaningful milestone for dancers and help build habits that extend far beyond the studio...focus, consistency, and pride in one's work.

This program is ideal for students who:

- Enjoy working toward a goal.
- Are consistent and motivated.
- Want to deepen their ballet training.
- Are not necessarily interested in the competitive stream.

Spots will remain limited to ensure each dancer receives the attention and preparation required. Candidates taking the RAD Ballet Examinations are required to take class twice weekly - and participate in "Dress Rehearsals" to ensure they are prepared for Exam Day! Dancers interested in participating in RAD Ballet Exams must register in two weekly ballet classes of the same grade. One of these classes must have an asterisk*, which represents that it is a ballet examination stream class and will move at a faster pace.

Exam Fees range from \$165-\$200 depending on Exam level.

Mock Exams "dress rehearsals" will take place at an additional fee of \$150+HST.

Private Lessons may be required if the dancer is in need of extra training (\$95/hr).

Exam Dates are determined by the RAD but are expected to occur in May/June.

Uniform Dancers must have the required RAD uniform for classes and rehearsals, consisting of exam specific ballet shoes, tights, leotard & Character Dance wear.

Important Notes: The Dancer's RAD Exam placement is decided at the sole discretion of the Tandem Ballet Faculty. If our Faculty does not feel that the dancer is ready for their Examination after the Mock Exam(s), they will forgo the exam for the season.

Please note: Examination & Uniform Fees are non-refundable.

OUR T3 PROGRAM

Join us for Season 9! T3 is our “Triple Threat” program designed for performers ages 8+ who want to do it all...dance, sing, and act, while working toward a full-scale musical production. Students train together in a fun, focused environment, building skills across all three disciplines as they prepare to take the stage in a professionally produced show. Weekly Thursday evening classes and rehearsals keep everyone progressing and connected as a cast. Our T3 performers have brought incredible productions to life, including Annie Jr., Shrek, Matilda, The Addams Family, Mamma Mia, Legally Blonde, and Disney’s High School Musical.

If your child loves to perform, or is ready to discover that spark, T3 is an unforgettable experience that builds confidence, teamwork, and stage presence. Spots are limited, and this program fills quickly.

This year’s production will be Disney’s Frozen Jr!

The enchanting modern classic from Disney is ready for our Broadway Junior stars! A story of true love and acceptance between sisters, Frozen JR. expands upon the emotional relationship and journey between Princesses Anna and Elsa. When faced with danger, the two discover their hidden potential and the powerful bond of sisterhood. With a cast of beloved characters and loaded with magic, adventure, and plenty of humor, Frozen JR. is sure to thaw even the coldest heart! The show features all of the memorable songs from the animated film, with music and lyrics by Kristen Anderson-Lopez and Robert Lopez, plus five new songs written for the Broadway production.

- Class: Thursdays 5-8 pm starting October 1 - March 11
- Performance: March 4, 2027 at Flato Markham Theatre
- Fees: \$1300 + Performance Fee \$250 + HST

*After the show, performers can continue the fun in our T3 Musical Theatre Class on Thursdays and participate in the year end Recital!
